Dear Board,

This past semester has been wonderful. I have had many great experiences that would not have been possible without your support. My training has been of the highest quality. Thanks to you, I have improved as a dancer.

I performed in the "Jewels" variation in "Sleeping Beauty" with Ballet Etudes in Connecticut in March. It was a wonderful performing experience pushing my range of style. For JKO's spring show in April, I performed in "Napoli" and a modern piece by Jessica Lang. I had spotlighted roles in both dances. Rehearsing and performing a high energy dance like Napoli was a lot of fun. The Bournonville technique is very difficult but also very pleasurable to dance. It made me stronger.

The results of the quality of training I have been receiving at JKO under the Dizzy Feet Scholarship were emphatically demonstrated last week when I was offered a contract with ABT II. To be part of this prestigious dance group has been my goal since coming to JKO. I am thrilled that I am achieving my dance ambitions. I will have many opportunities to perform at venues across the country and around the world. I am now one step closer to my ultimate goal of being part of the ABT company.

Your support has opened up a whole new beautiful world for me. I will keep working as hard as I can to uphold the honor it has been to be one of the first recipients of the Dizzy Feet Scholarship. Your organization will always have my gratitude and support.

Sincerely,

Sterling Baca
